

Cammy the Rabbit

Lung Yi (4A)

A long, long time ago, Cammy the rabbit lived in a beautiful forest. Cammy was different from the other rabbits. She liked reading books. All of Cammy's friends laughed at her. 'Come and play with us, Cammy. Don't spend your time reading books.'

One day, a group of rabbit hunters entered the forest. They were mean, ugly men. 'There are group of hunters coming this way!' the eagle warned the rabbits.

'Hunters?' the rabbits exclaimed.

'We've got to run. Hurry up!' The rabbits ran as fast as they could, but in the panic, they ran towards a cliff by mistake. The rabbits were trapped! Suddenly, Cammy spoke up, 'Don't worry! I thought of a plan! Let us hide behind the tree.'

The hunters couldn't find any rabbits, so they left.

Thank you, Cammy,' all the rabbits said.

Bo Bo the Giraffe

Yuen Sin Ying (4B)

In a beautiful plain, there lived a herd of giraffes. Bo Bo was different from other giraffes. She could make her neck longer and longer. Other giraffes laughed at her and did not play with her. Bo Bo felt unhappy.

One day, a group of hunters entered the plain. The giraffes saw them coming their way. They were very scared and ran into a forest where they had never been. All of them were safe and stayed there for one night. The next day, they tried to find other animals. But the giraffes were lost inside the forest. Luckily, Bo Bo made her neck higher than all the trees. So, she could find the way to go out easily. All the giraffes followed her to get out of the forest.

From that day onwards, Bo Bo started to teach her friends how to make their necks longer and longer.
