

A Journal

Liu Sze Ping (5A)

Last week, I went camping with the girl guides. We arrived at the campsite early in the morning. The instructors divided us into groups. When Tom was setting up the tent, we took a photo of him. Then we had lunch together.

When the students and the teachers were having lunch, a boy shouted out loudly because there was a big spider in his soup. In the afternoon, we went hiking. We had a lot of fun.

I hope I will join more interesting activities in the future.

I will enjoy the Easter holidays because I will go to Shanghai with my family. We will stay in Shanghai for five days.

In Shanghai, first we will eat our favourite food - 'Xiao Long Bao'. It is yummy. Then, we will go shopping and buy a lot of presents for our relatives. After that, we will go to Aqua Park. I like it very much because there are aqua activities for us to enjoy. They will be very exciting.

Finally, we will come back to Hong Kong by plane. I think this trip will be interesting.
