

## A Letter to a Pen Friend

Chan Pui Ming (4B)

Dear Mew,

Hello! My name is Hermione Chan. I am ten years old and in Primary Four. I have one sister but no brothers. I live with my mum, dad and Nana, my dog. Nana is cute, but you and Delebi are cuter than it.

I study at Leung Sing Tak Primary School. It is in Tai Po. It is a whole-day school. I go to school by train and bus. They take me an hour to go to school. I have many friends in this school. My favourite subjects are Art and English. I am good at these subjects. I always get the first place in tests. How about you?

My hobbies are reading books and playing computer games. I want to be an artist when I grow up. How about you?

I have got my photo for you. Please write soon.

Yours,  
Hermione
